

## East Midlands Young Planners News Summer 2017

Provided by Chris Jesson, Chair of East Midlands Young Planners

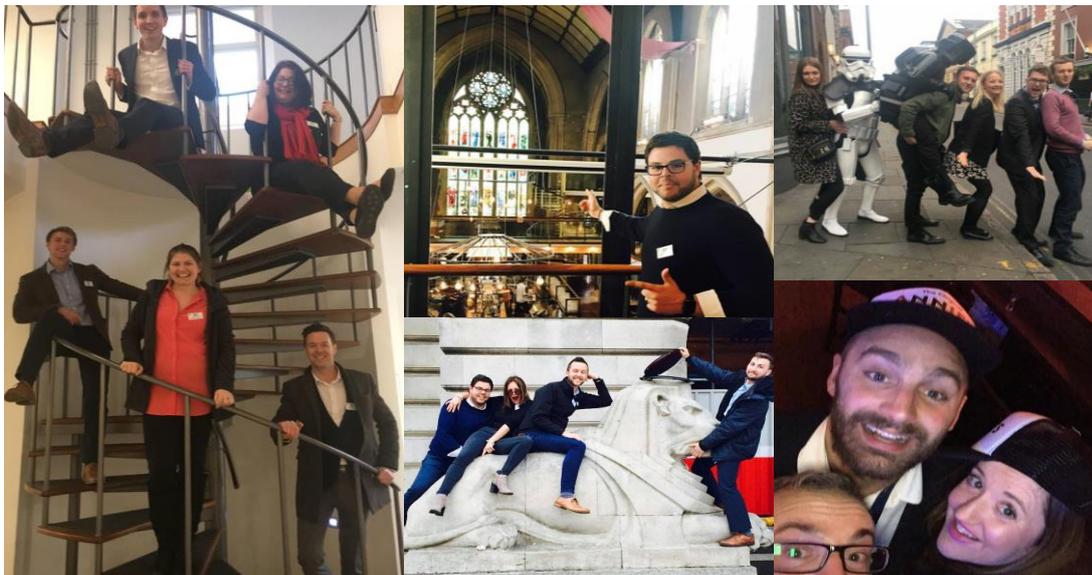

Here is a taster of what we have been doing and what we have planned!

### New Committee Members required!

We are requiring a couple of new members and a student to join our friendly committee to help organise our efforts across the region! It will look great on your CV for personal and professional development, and as voluntary work. Please email us at [ypeastmids@gmail.com](mailto:ypeastmids@gmail.com) for more details, or we can come and meet you.

### Spring Social Scavenger Hunt was a great success!

On 4<sup>th</sup> May nearly 50 young professionals from across the industry took part in our Scavengers Assemble Treasure Hunt across Nottingham City Centre. Well done to all for taking part and for all our prize winners, plus thanks to our sponsor, BSP Consulting.

### Late Summer Social 2017

Plans are under way for our next social occasion, an informal Summer BBQ likely in September, so watch this space. If you are interested in future sponsorship opportunities for the East Midlands Young Planners, email us.

### Booking now open for our next CPD 'Planning in a National Park' 20<sup>th</sup> July - Open to all

Booking is now open at the link below for our forthcoming free CPD event hosted by ourselves and the Peak District National Park Authority from 1pm on 20<sup>th</sup> July. Issues to be discussed will include recent major developments in Bakewell, rural dwellings and barn conversions in the Park and the Chatsworth RHS National Flower Show (7 - 11 June) and the associated developments in its planning application, including several bridges across the River Derwent. This will then be followed by site visits in Bakewell and Chatsworth.

There will also be an optional drinks get together at 5pm. Suitable sturdy footwear and waterproof clothing are required for the estate visit. This event is open to all planners.

### APC Workshop Autumn 2017

We are looking to provide additional support to Licentiate candidates who are aiming to submit their APC this Autumn, along with mentors of the APC and students who may be seeking to learn about the process. The previous L-APC event was held in Nottingham and we are looking to target the south of the region this time in Leicester. We are keen to adopt a workshop style element in addition to a more traditional presentation to

allow engagement in smaller groups. The event is to be led by a specialist RTPI Assessor supported by our Committee, and hopefully a recent outstanding APC candidate. The event would take place from 6pm until 7:30pm. A date is yet to be confirmed however it will take place in time for the resubmission deadline (2nd October) and first submissions (1st November). To register please email Scott O'Dell at [Scott.O'dell@fishergerman.co.uk](mailto:Scott.O'dell@fishergerman.co.uk) and we will send you the booking link when available.

### Future Planners - NCN High Pavement Sixth Form Academy - Careers in Planning Workshop

Planning is more than just home extensions and conservatories! Since 2016, our Regional Young Planners Network has been part of the RTPI's 'Future Planners' ambassadorial scheme to promote the role of the profession, and encourage greater take up rates into planning. On 19<sup>th</sup> June Young Planners Committee member Caroline Richardson took part in the NCN High Pavement 6<sup>th</sup> Form Academy Careers Day by giving a 'Careers in Planning' workshop.

Caroline (above), a former student of High Pavement 6<sup>th</sup> Form, gave an insight into planning as a profession and what the job of a town planner involves. Caroline shared her experience from leaving college through to her current role as a Senior Planner at DLP Planning Ltd, being a member of the Royal Town Planning Institute and the East Midlands Young Planners group. The Young Planners group are participating at various other occasions throughout the rest of the year, at schools in Leicestershire, Nottinghamshire and as alumni of various universities.

## RICS MATRICS et al Summer Soiree, 28 July 2017

Dress code: Summer Chic

Our colleagues at RICS Matrics Nottingham have joined with NJLD and NCASS to hold the Annual Summer Soiree at The Winter Garden, Beeston Fields. With a new venue this will be their biggest event of the year by far. It would be great to see another good planning group attend, we have nearly 10 signed up so far.

Last year this event sold out, so please do not miss out – we are already informed that over half of the tickets have been taken! Tickets are available for partners too, so please feel free to bring them along, should you wish. This will be a great opportunity to network, have some great food and enjoy the summer sun (fingers crossed) along with live music.

To enquire about booking, please email Ryan Steed directly, at [Ryan.Steed@nelsonslaw.co.uk](mailto:Ryan.Steed@nelsonslaw.co.uk).
