

# The RTPI London Five-a-side Football Tournament 2018

RTPI London and Indigo Planning are proud to present the 2018 RTPI London Five-a-side Football Tournament

## Booking form

To enter the tournament you will need one squad of seven players per organisation, who work or are seeking work in planning or a related built environment profession, such as architecture, surveying, GIS or development economics. At least three players in each squad should be members of RTPI London.

Each squad should include at least two female players.

Entry into the tournament is on a first come first serve basis because places are limited. The closing date is 15 June 2018. This is a free event but a charge of £100 will be payable by each squad in the case of the team dropping out after 15 June 2018. Signing this booking form demonstrates your consent for this charge.

Please note that RTPI London will check to ensure your entry meets the tournament rules. Until you receive confirmation of this from RTPI London in the form of an e-mail advising that your entry has been successful and your team is playing, your place in the tournament is not guaranteed. Any team that turns up without specific confirmation from the RTPI London will not be eligible to play.
